### WARNING! IMPORTANT INFORMATION FOR EXHIBITORS

#### International Fairs Directory

For some time now, **International Fairs Directory**, a company registered with branches in other countries, has been sending forms to exhibitor firms asking for any modifications to their company data for publication of advertisements in the Expo-Guide magazine. On completing and signing the forms, containing the names of Italian exhibition grounds and event trademarks, the firm is then obliged to pay a sum per year. The above-mentioned company **has NOT and has NEVER BEEN AUTHORISED** to use the name Italian Exhibition Group SpA or our event trademarks. If you should receive forms or proposals from International Fairs Directory, we strongly recommend that you read the terms VERY CAREFULLY before signing.
